Federal Grants Seminar hosted by Congresswoman Suzanne Kosmas

Each year billions of dollars are distributed in federal grant and loan money to institutions and organizations throughout the country. Florida's 24th Congressional District's outstanding universities and colleges, non-profit organizations, small businesses, and local governments are well-qualified to compete for these funds. Since the grant application process can be complicated and time-consuming, Congresswoman Suzanne Kosmas is here to help.

On Friday, March 27 from 10:00 to 12:30 Congresswoman Suzanne Kosmas has invited Federal Grants Advisor, Susie Turnbull to her district to host a seminar on working through the federal grants process and stimulus funding. The discussion will focus on what is available, how to qualify and what to expect.

Where: 3100 Technology Parkway, Room 208, Orlando, FL 32826
