Please answer these questions: (continue on the back of this sheet if necessary)

- 1) What qualities do you have that you believe would make you a good tutor? Think about your work ethic, your personality, the work you have done to get where you are, your work with others in and out of class.

- 2) What experiences in tutoring/academic mentoring have you had? ... with fellow students or others (who?), one-on-one or in small/large groups?

- 3) What do you love about the subject area/major that you would be tutoring? How often do you discuss the subject outside of class? Please describe.

- 4) What are your ideas about the role of a tutor?

- 5) Think about these challenges you would face as a TJ's tutor. **What would you do if...**
 - ... you didn't know the answer?

 - ... you realize the student did not have the background knowledge he needed to do the work?

 - ... the student is not prepared for the tutoring session?

 - ... the student wanted you to do his/her work for you?

- 6) What do you expect some other challenges might be?
